Children need people like You who believe in them. You know their struggles – whether it’s everyday needs like making friends, reading or making good decisions. Or the extraordinary challenges some face; hunger, homelessness, disabilities or abuse.

United Way comes alongside You to help children in their moments of need. We can’t do it without You. Join us in building a great community for kids. A place where caring adults are everywhere. A community full of compassion. A place where You wish you had grown up. *Please give today.*

*“There are two gifts we give our children; one is roots, the other is wings.”*

## CARING UNITED

*The strength of a community is measured by its compassion for its most vulnerable citizens.* United Way works with You to insure the hungry have food, the elderly get medicine and the abused have somewhere to turn. Those needs are here every day, but sometimes they can be hard to see.

Volunteers like You are our best way to show compassion. You deliver meals, sew masks, help fill backpacks with needed school supplies and give a listening ear to those who just need to talk. United Way is there in difficult moments, those times when it seems like no one cares. Join us and make sure everyone knows that someone like You cares about them. *Please give today.*
