UNITED WAY IMPACT

Helping *WORKING FAMILIES* overcome obstacles and create brighter futures.

Better Jobs

A better job is one where you can earn enough to pay your bills, provide for your family and tuck a little away for emergencies. It requires new skills, more education and sacrifice. United Way opens doors to real opportunities with experienced coaches and a genuine path to success.

Great Kids

Parents focus better at work when their children are thriving. United Way connects working parents to child care, parenting tools and after school programs. It's a win-win. Parents can focus.

Kids are happy.

Health Options

Working Families must be able to weather an unexpected health issue without losing everything. United Way helps families face these challenges with the support and compassion they need.
