THANK YOU!

2020 CHALLENGE GRANT - *Imagination Library*

You have a chance to put new books into the hands of thousands of children in our community. United Way is partnering with Dolly Parton's Imagination Library. Dolly Parton's vision is to foster a love of reading among young children and their families.

Each month, the Imagination Library mails a high quality, age-appropriate book to all registered children, addressed to them and at no cost to the child's family. Parents have shared how excited their child is when their new book arrives. The only qualifications are that a child is between the ages of 0-5 and lives in Kosciusko County.

A Challenge Grant will launch the Imagination Library. The challenge is simple, get more people involved.

❖ If your company increases United Way participation by 5% over last year, your entire campaign will be matched up to \$15,000.

- If successful, the program will launch in January 2020.
- By the end of the second year, the goal is to have 2,000+ children enrolled.

One of the many happy children at Cardinal Services.
